

***Say No to Leaky Homes***

## Distributorship Opportunity

Flashman Ltd is extending their distributorship coverage and is looking for exceptional, enthusiastic and experienced builders, preferably with marketing skills, to represent them as Regional Distributors.

Flashman markets a unique, highly innovative, patented, BRANZ-Appraised, NZ designed and manufactured aluminium window and door flashing system which is fabricated in Flashman Distributors' factories to precisely fit each window and door and then installed only by Flashman Distributors. Flashman solves at least 50% of the leaky building syndrome. Each NZ region has one exclusive Distributorship.

Full training and excellent prospects. The Flashman Window and Door Flashing System has widespread industry and Building Control support and backing.

Regional area Distributorships are now available, ranging from \$15,000 to \$70,000.

Find out more about this opportunity today.
