Opening Solutions

Experience a safer
and more open world

ArborTek™ with Collars

Add contrasting metal collars to your ArborTek pull to create a distinctive, unique look.

MegaCurve™

Make your door a point of conversation. These long, precision-curved pulls, in standard or custom shapes, add enchantment and fascination to any entrance.

SoftTek™

Extend your grip with a full-length application of Santoprene™. These pulls provide the ultimate in durable, weather-resistant gripping surfaces.

AccenTek™

These pulls offer a modern, industrial look with exposed fasteners and rustic finishes.

PlanTek™

The options are endless. These cast pulls, with a contoured-back grip, are available in a range of sizes and stocks for a distinctive and alternative form.

MegaTek™

Effortless style in a simple design allow these pulls to offer a pleasing, functional, modern solution to any entry door.
