Features and Benefits

- Creates free-form ceiling islands or fascias to define space and provide visual impact
- Available in variable trim heights
- Costs a fraction of conventional drywall soffit construction
- Made to order—arrives onsite pre-engineered.
- Strong, durable, and long-lasting steel or aluminum construction
- Guaranteed to fit all USG ceiling systems

Applications

- Contemporary offices
- Entertainment
- Gaming
- High-bay areas
- Retail spaces
- Virtually anywhere
