

# South Pacific Shingles

## Timber Shingles & Shakes

**Western Red Cedar Shingles**

**Hand Split  
Cedar Shake**

As one of New Zealand's leading Importers, Manufacturers and suppliers of Timber Shingle products we are proud to be able to offer a full range of Timber Roofing products to suit your project.

We have supplied our Timber Shingles and Shake roofing to many large Resort and Commercial projects throughout New Zealand and the South Pacific including Jacks Point, Queenstown, Commonage Close, Queenstown and Marina Point, Denerau Fiji.

We are also able to offer technical support and access to our comprehensive range of CAD drawings to assist you when planning your project and our network of experienced Roofing Contractors cover the entire country to enable us to provide a complete package for the timber roofing systems.

Please contact us to discuss your next project or if you would like us to send you our technical folder email [technical@southpacificshingles.co.nz](mailto:technical@southpacificshingles.co.nz)
