

## FRAMELESS BALUSTRADE SYSTEMS

### Infinity BA124 Face Fix Glass Balustrade System

Infinity BA124 Glass Balustrade System is the ideal solution for face fix frameless glass balustrades.

No holes are required in the glass panels, they are simple to install, align and adjust.

Suitable for pool fencing and the following balustrade occupancy types – Residential A and C3, Commercial B, E and C3.

Standard finish is natural anodised aluminium with mill finish and standard colour powder coat options also available.

To order Infinity select the required quantity and lengths of front and rear covers, plus the required number of glass clamps. All system components can be selected on page 5.2.

**For protection against a fall, refer building code and / or any proprietary design document.**

Ex Auckland Store. All prices exclude G.S.T.
