# ONE TAP - MULTI FUNCTION

A kettle and mixer-tap in one! It's the solution your crowded benchtop has been waiting for. Now near-boiling water for hot drinks and cooking is instantly available from a sleek, Italian designed multi-functional tap.

Filtered **Near-Boiling** Water

Standard Hot & Filtered Cold Water

The convenience of near-boiling water for effortless coffees and teas, plus the fresh clean taste of filtered water. The InSinkErator® Multitap System will change the way you enjoy your kitchen and entertain guests.

## A 'PLUG-IN' RETROFIT THAT WILL DRAMATICALLY ENHANCE YOUR KITCHEN!

The compact unit that filters water and delivers instantaneous near-boiling water for hot drinks and cooking simply tucks away under your bench. Installation is easy, proven and suitable for any domestic kitchen.

# 3 STYLES TO CHOOSE FROM

The MultiTap comes in three contemporary Italian designs, with two finishes - chrome and matte black/chrome. Not only are the taps designed in Italy, they are also made there by world renowned tap makers Guglielmi, and come with a 5-year in-home warranty.

# PLUG-IN CONVENIENCE FOR EASY INSTALLATION

The compact and innovative NeoTank delivers near boiling water for hot drinks, and slashes your cooking times with steaming hot water for vegetable and pasta preparation. This ingenious unit also comes with an optional connector that allows you to filter your cold water as well, giving you great tasting filtered water.

- NeoTank is only about the size of a toaster, making it easy to hang on the back wall under your kitchen bench with minimum fuss.
- The 2.5 litre capacity is easily sufficient for most kitchen tasks while reducing the heating requirement and saving you energy costs.
- Finger-tip control with a touch-panel display for precise temperature adjustment.
- Quiet, energy-efficient operation.
- Easy installation with tool-free connections and dry-start protection.
