SOLUTIONS

XPRESS Fence - An innovative new framing system designed specifically for timber and composite slats/decking.

Typical Applications include: Fencing, Boundary Fencing & Privacy Screening.

Features & Benefits

- Quick and simple install; no screws or nails required.
- Timber slats are easily inserted by a patented framing system with gripping legs.
- Suitable for timber 18mm – 21mm Pine/Hardwood.
- System allows the timber to expand and contract.
- Versatile; can be installed on new or existing fences.
- No restriction to height - easily stackable
- Ability to cut on site
- 15 year durability warranty
- 10 year colour coat warranty

Product Range

Side Frame: 2100mm long

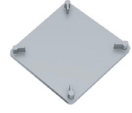

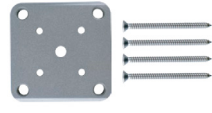

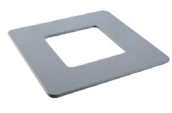

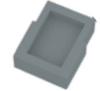

Aluminium Posts: 1800mm (Long) or 2400mm (Long) x 50mm x 50mm

End Plates, Spacer Blocks, Dress Ring, Base Plate Set, 2 Part Domical Cover and Top Plate also available.
