Bestwood

Incorporating the latest trends from Bestwood, the sophisticated range of colours and woodgrains delivers an authentic appeal with the Melamine board requiring no additional surface finishing.

Engineered Stone

Engineered stone comprises around 90-95% quartz. Quartz is one of the hardest elements in nature and binding agents are manufactured into slabs using state of the art technology to withstand the test of time.

Environmental Choice

Product manufactured predominantly from sustainably grown New Zealand plantation pine forests and is Environmental Choice Certified.

Made in New Zealand

Prefinished Material

The Terina range is a combination of imported contemporary products and New Zealand made furniture combining high quality components and materials with superior craftsmanship to produce crisp, cutting edge designs that are not only beautiful but built to last. The Elementi vanity collections have been designed to meet your every need. As well as a range of finishes, you can also choose between different vessel options & 4 different handles.
