Imagine you could start each and every day with an excursion into paradise. AquaSymphony by GROHE lets you escape for a moment and step into another world: a world where the interplay of water exhilarates and renews you, bathing you in softly coloured light and soothing you with relaxing sounds. Become part of a composition that inspires all the senses – the symphony of showering.

Don't be in a hurry to turn the page. Just pause for a moment and be entranced. AquaSymphony is not a shower – it's a wellness zone, a place where water takes on a life of its own. AquaSymphony plays with water, creating ever-changing liquid harmonies.

Just imagine the pleasure that awaits you.
