4 Star WELS rating

More than 6.0 but not more than 7.5 litres per minute.

Residential/Light Commercial

Suitable for Residential/Light Commercial Use (Kitchens, Bathrooms and Laundries in Motels, Hotels and Retirement Villages)

Commercial Use

Suitable for commercial use.

Skirted Design

Premium design allows for quick and easy exterior cleaning.

Double Vortex
Flushing System

Maximum flushing performance, with minimum water usage. The design of the bowl propels the water forward and creates a strong flushing momentum.

Hand Finished

Hand Finished Vitreous China.

Quick Release

Seat can easily be removed and just as easily reattached in an instant.

Soft Close Seat

The Soft Close automatic closure system finally puts an end to noisy closing WC seats. Just a fingertip touch and the lid closes all by itself, gently and silently.

BTW CC Toilet Suite

The back to wall (BTW) close coupled (CC) toilet suite adds a streamlined, modern look to any bathroom. Positioned flush with the wall, there is no gap behind and all waste and inlet pipes are concealed, with the cistern then positioned above the bowl.

Dual Flush

A Dual flush toilet provides the user with two flushing options (Full flush & half flush). Both practical and water efficient.

A sophisticated European design that blends straight lines with sweeping curves, the American Standard Cygnet Neu Hygiene has a compact short projection making it ideal for small bathroom spaces. Bringing American Standard's high-quality design and innovation, this square toilet features a bottom inlet with a soft close seat. The square design cistern sits perfectly on top of the sweeping lines of the pan, helping you to bring innovative and sophisticated European styling to your home.
