6	Double Vortex Flushing System	Maximum flushing performance, with minimum water usage. The design of the bowl propels the water forward and creates a strong flushing momentum.
1	Set Out: P Pan	220mm
()	Soft Close Seat	The Soft Close automatic closure system finally puts an end to noisy closing WC seats. Just a fingertip touch and the lid closes all by itself, gently and silently.
Ø	Anti Bacterial Finish	Pre-built with an antibacterial glaze that effectively Kills 99% of bacteria.

Inspired by form and simplicity, Acacia Evolution design exhibits soft, thin edges. It is also technologically equipped with powerful flushing system, anti-bacterial touch points and other revolutionary enhancements.
