INSPIRED VISION
FOR FRAMELESS GLASS

VERONA
sliding shower system

CONTEMPORARY &
spacious

The **VERONA** sliding shower is a contemporary design which allows for a larger shower area. The sliding door eliminates a pivoting door in tight spaces and no hinges gives a very streamlined finish.

FEATURES
- Ease of access
- Enables a larger shower box area
- A minimal hanger profile with flat stainless steel bar
- Fixing can be to either glass or solid walls
- Suits inline, square and rectangular shower designs
- Adjustable stop
- Anti-jump mechanism to eliminate door derailing

TECHNICAL DETAIL
- Designed for 10mm toughened safety glass
- Manufactured in stainless steel, satin finish
- Maximum hanger load 45kg per door
- Rail is a rectangular section
- Rail height 50mm, thickness 10mm
