Series 7000

Standard cubicle systems

The Series 7000 stands out with its bold lines and strong design. Often used in schools and public toilets, the Series 7000 is perfectly suited for high use areas combining the benefits of Compact Laminate and a strong aluminium framework.

The Series 7000 cubicle system has a strong, bold head rail supported by aluminium rebated stiles on each side of the door, making an extremely sturdy and robust product designed for high traffic and continued public use.

Minimal dirt traps ensure cubicles are easily cleaned, with self-opening and self-closing doors.

Recommended for

- Public toilets
- Schools
- Sport and Recreational areas
- Shopping Centres
- Prisons and correctional facilities
- Youth centres
- Community Clubs
- Camping and Caravan sites
- Offices
- Hotels and accommodation complexes

Features

- Compact Laminate panels provide solutions for toilet, shower and any other wet area situations
- Resco Antibac Panels and Anti-microbial Hardware components are standard features, exclusive in New Zealand
- All Resco Compact Laminate panels are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- New Zealand's largest range of Compact Laminate colour and finishes
- Custom made cubicles
- Easy to clean (cleaning time notably reduced) and low maintenance.
- Durable easy clean design
- Wool-pile lined door stiles soften the closing of doors
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

Standard cubicle systems

Edge Treatment

- No edging is required as Compact Laminate is a finished product; a simple furniture oil enhances the black edge
- Resco Antibac Panel will not delaminate

Options

- Shower seats and brackets
- Privacy and modesty screens to match your colour choice
- Sliding doors for accessible cubicles
- Diverse layouts including wall to wall, return cubicle or tailored to suit
- Woodgrain panels, Metallic panels and Primary colour panels

Colours

PANEL COLOURS

Resco has NZ's biggest colour range.

For a full list go to:

www.resco.co.nz/colours

or call for samples.

ALUMINIUM COLOURS

The Series 7000 aluminium extrusions are available in any of the Interpon powder coating colour range. Our standard colour is Silver Pearl.

For a full list go to:

www.resco.co.nz/colours

See the website or call for colour options and samples.

Dimensions

As cubicles are custom made to your measurements, depths and widths can be varied to suit, while complying with the NZ building code.

The Series 7000 standard dimensions are:

- Height 2010mm with 160mm floor clearance
- Depth 1600mm-1900mm (1900mm for accessible)
- Standard cubicles are recommended in an open-in door option
- Standard cubicle doors are 610mm (opening is 585mm)
- Accessible cubicle doors are 810mm (opening is 785mm)
- Sliding doors are also available

Waiouru Public Toilets

Durability and Maintenance

- Our Compact Laminate panels ensure an extended life and minimal maintenance
- Resco Antibac panel and Antimicrobial hardware surfaces kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas.
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity and 2 years on hardware

Lead Time

If panel is in stock, once dimensions are confirmed, lead time can be as fast as a few days.

If accent colour range, this is ordered in and has up to a 12 week lead time.

Contact our team for accurate lead times.

Installation

Resco has an installation service available, or customers can install themselves as Resco cubicles come as a kitset delivered to site. Kitset includes easy to follow installation manuals and hardware.
