

Cabot's New Timber Prep

NZ_DW02846

Part A	918W0051
--------	----------

Description
Cabot's New Timber Prep is designed to remove tannins and oils from bare new timber surfaces to allow for immediate coating. New Timber Prep skips the recommended timber weathering period of 46 weeks for new timber. Always follow Cabot's New Timber Prep with Cabot's Deck Clean.

Features
<ul style="list-style-type: none"> Removes tannins and oils from bare new timber surfaces to allow for immediate coating Water based

Uses
All bare new exterior timber surfaces including decks, pergolas, fences, gates, weatherboards, window frames, steps & handrails and garden furniture.

Typical Properties	
Clean Up	 Water
Application Method	Other: Cabot's Deck Prep brush
Typical Properties Notes	Apply undiluted to damp surface. COVERAGE Up to 10m ² /L Depending on porosity or condition of timber.

Application Guide	
Application Procedure And Equipment	<ul style="list-style-type: none"> Shake contents before use. <p>Hose down timber surface, ensuing surface is damp prior to any application of Cabot's New Timber Prep.</p> <p>Apply New Timber Prep generously undiluted to the timber surface with Cabot's Deck Prep brush. Do not spot clean. Leave New Timber Prep on the timber for 10-15 minutes. If necessary, apply more New Timber Prep to keep timber damp during this 10-15 minute period. Do not allow New Timber Prep to dry on the surface. Scrub the surface with Cabot's Deck Prep brush. Do not use a wire brush. Rinse off timber surface with a garden or high pressure hose. If using a high pressure hose or power washer, use the lowest setting to avoid damaging the timber.</p> <p>NOTE: Ensure New Timber Prep is fully washed from the surface, as failure to do so may result in timber discolouration under clear finishes. Always use Deck Clean after New Timber Prep. While timber is still damp, clean timber with Cabot's Deck Clean following label instructions.</p>

Health And Safety			
MSDS Number	DLXNZLEN002828	Using Safety Precautions	Causes skin irritation. Causes serious eye damage. Keep out of reach of children. Read the label before opening or using. Wear protective clothing, gloves, eye/face protection and a suitable respirator as required. Wash contaminated clothing before re-use. Wash hands, face and all exposed skin thoroughly after handling
