TECHNICAL SPECIFICATION

CODE DESCRIPTION SPECIFICATION SUMMARY

GW10 ON-TRAK FIBRE WALKWAY - GREY
GW11 ON-TRAK FIBRE WALKWAY - YELLOW
System design, supply, layout, installation and certification by a Sayfa accredited installer, as per the manufacturer's installation instructions and current standards.

TECHNICAL DATA

MATERIALS

- Walkway panel - premium grade fire retardant, UV inhibited polyester resin incorporating a composite fibre reinforcement inlay (thermo setting in nature, not thermoplastic)

DIMENSIONS

- Panel size - 3660mm (L) x 615mm (W)
- Panel thickness - 15mm

WEIGHT

- 14kg (3.8kg/linear metre)*
- *Approximate only

FIXINGS

- Rivet fix option - 5mm construction grade Bulbtite rivets
- Clip fix option - utilising unique non-penetrating Trak Tite mounting clips (Refer instruction drawing)

ROOF PITCH INSTALLATION

- Can be installed up a slope to max 20°
- Requires levelling when slope greater than 7°

WORKING LOAD LIMIT

Span (mm)	Concentrated Point Load (kg)	Maximum Load Capacity (kPa)	Maximum Deflection (mm)
305mm	158	10.1	3.05
457mm	78	4.9	4.57
610mm	45	2.5	6.10
914mm	-	0.8	9.15

GW10 - GREY

GW11 - YELLOW

DISCLAIMER

All product specifications and technical descriptions, recommendations and other information provided, are given as general guidance and advice, and are to be read in conjunction with Sayfa Group installation instructions and any other data available and applicable to each particular standard product or system. Use of such data is however the user's sole responsibility, taking into account the intended application and actual conditions existing on the particular work site. Consequent selection of the right product for any particular use, remains the user's ultimate responsibility. Sayfa Group is therefore not obligated or liable for any direct or indirect, incidental or consequential damages, losses or expenses in connection with, or by reason of the suitability and use of or otherwise, any product or system for any purpose. Implied warranties of merchantability or fitness for any particular purpose, are specifically excluded.

All Sayfa Group products must be installed and used by competent personnel trained in the selection, safe use and maintenance of fall arrest systems and equipment by a registered training organization (RTO). Installation not in accordance with Sayfa Group requirements or the use of non Sayfa Group components will void all certification and warranties.

Suitability of support structure and design layout of system is the responsibility of the installer and should be verified by a structural engineer or a site specific live load test done to ensure conformance. Maintenance and usage of the system in accordance with Sayfa Group requirements is the responsibility of the owner or manager of the workplace.

Sayfa Group maintains a policy of continuous improvement and development, and therefore reserves the right to modify, amend or otherwise alter product and system designs and specifications, models and part numbers, colors and pricing etc without prior notice. Errors and omissions are excepted, and Sayfa Group accepts no liability for incorrect information, errors or omissions.

COMPLIANCE

On-Trak walkway system is designed to conform with Australian Standard AS1657:2018 and relevant statutory OHS Codes of Practice/Guidelines.

TESTING

Testing and performance based on requirements of Australian Standard AS1657:2018.

PRODUCT WARRANTY

10 years from date of purchase subject to correct installation, use and maintenance in accordance with manufacturer's specifications and recommendations. (Refer instruction drawing.)

INSPECTION AND MAINTENANCE

Visual inspection for any damage or loose fixings must be done periodically and prior to use. No certified maintenance is required. Basic wear and tear preventive maintenance is recommended, as per manufacturer's specifications and recommendations. (Refer instruction drawing.)

IMPORTANT NOTE

Failure to supply and/or install proprietary product in accordance with above standards and codes, specifications and instructions voids complete system certification and/or warranty.
