COLOUR CODED WASTE & RECYCLING

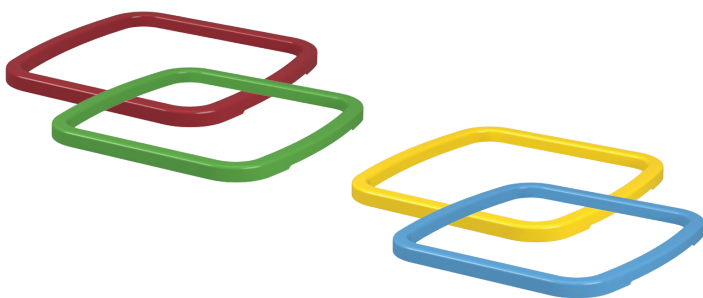

NEW COLOURED LINER HOLDERS

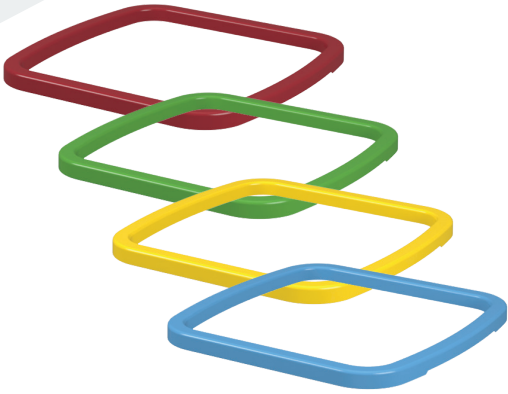

Create a simple, sustainable waste management system in your home or office with the new colour coded Hideaway liner holders.

These liner holders are compatible with Hideaway 13L, 15L, 16L, 20L and 35L buckets. Mix and match the colours to suit your local collection services.

Available to purchase as a separate accessory.
Visit hideawaybins.co.nz for more information.

BENEFITS OF COLOUR CODING YOUR WASTE BINS

REDUCES CONFUSION

Recycling can be confusing, especially if you are unsure which is the correct bin to put waste or recycling into. Colour coding your bins removes the guess work.

INCREASES PARTICIPATION

Whether in the home or the office, colour-coded bins are a great educational tool that promotes awareness about the importance of recycling and waste reduction.

REDUCES CONTAMINATION

When materials are placed in the wrong bin, like food going into a paper recycling bin, the material can become contaminated and often cannot be recycled. Colour coding results in more recycling.

Liner Holder Specifications

Size	Colour	Dimensions (WxHxD) mm
13L & 16L		250 x 15 x 248
15L & 20L		283 x 15 x 247
35L		348 x 15 x 248
40L		384 x 15 x 244
50L		320 x 15 x 372
