Pop-up waste and overflow

Floor mounting system

Installation Notes:

- Floor must provide support for a minimum of 400kg and must be level.
- Utilises a simple drop on guide bush system (supplied) to secure bath to floor. Simply fix the guide bush to the floor using appropriate screws or bolts (not supplied). Lower bath onto guide bush and adjust feet.
- It is recommended that a Hepworth flexible waste trap system (not supplied) is used to connect the waste outlet.
