Pre-finished

Dimensions:

Thickness	Length x Width
18mm/13ply	2440 x 1220mm
24mm/17ply	2440 x 1220mm

Handling and Storage:

Plywood is a natural product that can be affected by changes in ambient weather conditions, causing previously flat sheets to bow or twist. All precautions are taken to minimise this effect, however once the plywood has left our warehouse we cannot guarantee sheets to remain flat. This is particularly important where free standing kitchen/cabinet doors are concerned.
