and produced in the factory

**Closed Joint-stock company "Plyterra"
Leninskaya str. 1**

**431105 Umet, Zubovo-Polyansky region
Russia**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 0765 - Fraunhofer-Institut für Holzforschung, Wilhelm-Klauditz-Institut (WKI) - performed the continuous surveillance, assessment and approval of the factory production control in second half-year 2015.

This attestation confirms that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13986:2004

were applied.

This attestation is part of the evaluation report and confirms the certificate with No. 0765-CPR-0470 as long as the conditions laid down in the harmonised technical specification, the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
