MADE IN BELGIUM

Quality Laminate Flooring Planks

Summer 2021

A Vitality floor is just what you need, the vitality range has everything you expect from quality laminate flooring.

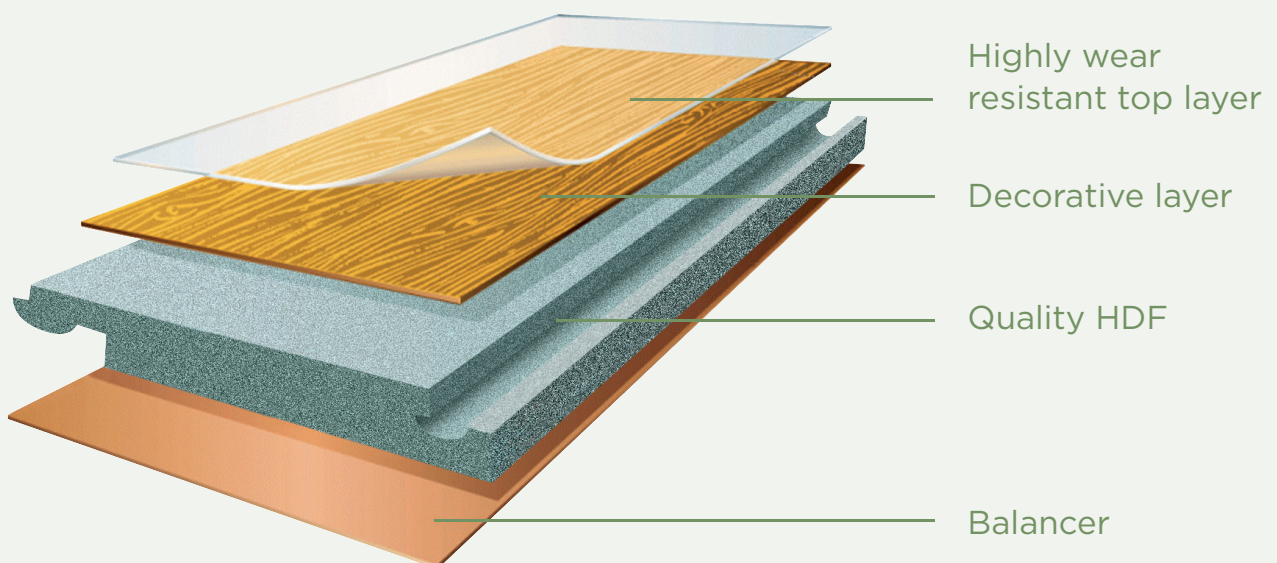

Lungo features wide long planks for a luxurious feel while Style has a water resistant surface for your piece of mind.

The innovative clicksystems are your guarantee for ultimate ease of installation and years of enjoyment from your laminate floor.

WHY CHOOSE A VITALITY FLOOR?

The vitality collection offers a wide range of quality decors. Vitality Laminate floors are produced in Belgium using only the best raw materials and production processes. Both Lungo and Style are suitable for residential and light commercial applications.
