

Green Rating

Continuous Group Ltd and the environment...

- **Very little building waste.**
Continuous, exact lengths roll-formed onsite.
- **Totally recyclable materials.**
 - All scrap recycled.
 - All products are fully recyclable at the end of their lives.
 - All products are suitable for collecting drinking water.
- **Use Powercoating**
 - Greenbuild™NZ recommend the use of factory finishes, such as powdercoating to be used in preference to site applied paint finishes.
- **Waterbased Coil Coating**
 - Selected coil undergoes a waterbased processing in the mid to dark colours.
- **PVC Free**

Continuous Group Ltd is committed to ongoing improvements in products and processes that will reduce environment impact.
