Premier 2T-140™

Premier 2T-140™

The CS Premier 2T-140 is a complete wardrobe sliding door system including track, carriages and timber head and closing jambs. CaviRobe Wardrobe Sliders incorporate the same quality track and carriage system that is used in CS Cavity Sliders, allowing the confident use of over-height and over-width wardrobe doors.

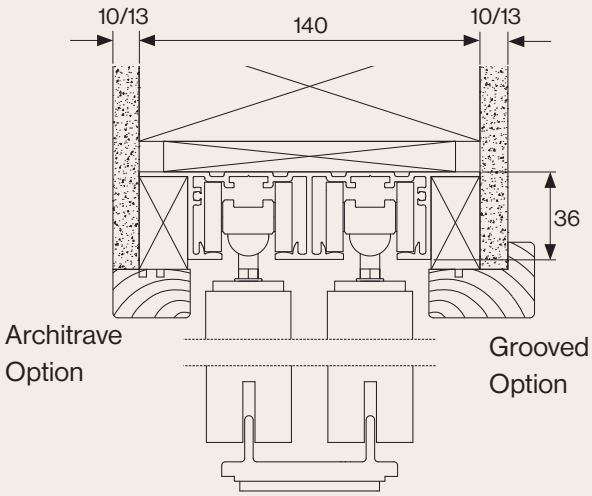

No full-length floor tracks are required. A discreet floor guide is hidden within the door overlap.

Features

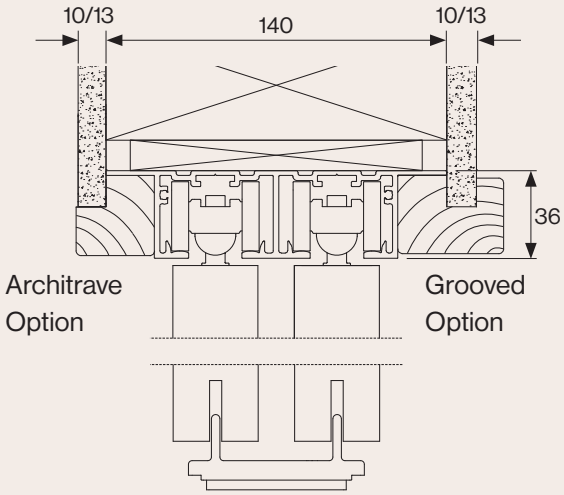

- Standard timber doors can be used, ensuring all your internal doors match.
- Available with timber or aluminium jambs in a range of timbers and colour finishes.
- Suits standard or custom sized doors up to 40mm thick.
- Available with the CS SmartMount system.
