

ASSURE HD

Fence panel and pedestrian gate

The Assure HD fence panel is a heavy duty version of our Assure fence panel and has been specifically designed to comply with Ministry of Education specifications for school fencing. Providing excellent low maintenance durability, security and adaptability while avoiding an overly threatening appearance, it's ideal for use in educational, public and commercial locations.

FEATURES:

- Designed to comply with Ministry of Education school boundary fencing specifications
- Heavy duty aluminium construction
- 100mm anti-climb gap in vertical bars
- Exclusively available as raking panel up to 20 degrees
- Black powder coated finish as standard. Custom colours available on request
- Brackets and hardware supplied
- Ex Stock standard sized fence panels and pedestrian gates
- Width and height adjustable pedestrian and driveway gates
- Gate automation and access control systems available

IDEAL FOR:

- Schools
- Childcare
- Parks, playgrounds, and streetscapes
- Balustrading
- Pool fencing (residential only)
- Commercial
- Civil

CARE & MAINTENANCE:

To best care for your fence, meet warranty requirements and to extend the life of our products we recommend washing down all exposed metalwork including panels, posts, gates and fixings every 6 months, and every 3 months in sea spray and geothermal locations.

For full care and maintenance information and instructions please see the Urban Group Care and Maintenance document.

WARRANTY INFORMATION:

We provide a 10year warranty on aluminium fence panels, posts, and gates, 5years on galvanized steel posts and 2years on associated hardware.

These warranty periods are subject to further terms and conditions, please see the 2023 Urban Group Warranty document for full warranty information.

Please ensure the current Data Sheet is consulted prior to specification or installation of Urban Group products. If you require additional information not included in this Data Sheet, please contact Urban Group.
