

# FRESNO

## Fence panel and pedestrian gate

The Fresno fence panel is a modern architectural style panel that offers an adaptable, cost-effective, and sophisticated aluminium fencing solution. With extra privacy than standard aluminium fencing and additional strength, this built-tough aluminium slat fence panel provides a stylish barrier for a wide range of properties. Also, the panel size can be easily adapted to fit the site requirements.

### FEATURES:

- Architectural design with extra privacy
- Lightweight and easy to install
- Easily adaptable on site
- Panel also available in a vertical configuration
- Low maintenance aluminium construction
- Black powder coated finish as standard. Custom colours available on request
- Brackets and hardware supplied
- Ex Stock standard sized fence panels and pedestrian gates
- Width and height adjustable pedestrian and driveway gates
- Gate automation and access control systems available

### IDEAL FOR:

- Residential
- Medium and high-density intertenancy fencing
- Commercial
- Screening of refuse and plant areas

### COMPLIANCE INFORMATION:

Not compliant with NZ Building Code F4 Safety from falling or F9 Restricted access to residential pools. A custom panel with a 10mm gap between the horizontals is available on request and will achieve F4 and F9 compliance when installed at up to 1265mm post centers. A site specific PS1 will be required. Suitable for installation in up to Very High Wind Zones.

### CARE & MAINTENANCE:

To best care for your fence, meet warranty requirements and to extend the life of our products we recommend washing down all exposed metalwork including panels, posts, gates and fixings every 6 months, and every 3 months in sea spray and geothermal locations. For full care and maintenance information and instructions please see the Urban Group Care and Maintenance document.

### WARRANTY INFORMATION:

We provide a 10year warranty on the fence panels, posts and gates, and 2years on associated hardware. These warranty periods are subjected to further terms and conditions, please see the Urban Group Warranty 2023 document for full warranty information.

***Please ensure the current Data Sheet is consulted prior to specification or installation of Urban Group products. If you require additional information not included in this Data Sheet, please contact Urban Group.***
