WARRANTY TERMS

Alsynite NZ Ltd warrants the product supplied for installation at the above project has been manufactured in accordance with the Australia/New Zealand Standard AS 4256:3:2006 JAS-ANZ Certification Licence No. 2349.

For a period of **20 years**, Alsynite NZ Ltd. warrants that the product **WILL** remain physically stable over a **temperature range of -30°C to +70°C** and **WILL NOT** allow the penetration of water through the sheet.

At the end of **10 years**, Alsynite NZ Ltd warrants that the product **WILL** retain 60% of its original light transmission (see conditions).

WARRANTY CONDITIONS

The warranty is subject to the following terms and conditions:

1. The product is handled, installed, and maintained strictly in accordance with the manufacturer's specifications and the requirements of AS 1562:3:2006. The product is installed in such a manner that the non-weather side surface is not exposed to any UVA and UVB Ultra Violet exposure. The product does not suffer from any mechanical, impact or other damage by agents or chemicals during handling, storage, fixing, and after installation, except as available in the Alsynite NZ Technical Literature.
2. The product is maintained strictly in accordance with the Alsynite Technical Catalogue and NZ Roofing Code of Practice.
3. Damage by storm or tempest or Acts of God is excluded.
4. Alsynite NZ Ltd liability under this warranty shall be limited exclusively to resupply of the product as follows:
 - a) In the unlikely event of a product failure, Alsynite NZ's liability under this warranty will be the resupply of translucent roofing material only.
 - b) To the extent permitted by law and subject to the above warranty terms, Alsynite NZ Ltd shall be under no liability whatsoever (including any claim for faulty design, negligent or mishandling advise, injury to any person or any liability in tort or in contract for special, indirect, or consequential loss or damage) for any defect in or failure of or unsuitability for any purpose of the product.
5. The benefits conferred in this warranty are in addition to all other rights and remedies conferred at law.
6. If any provision of this warranty shall be invalid and not enforceable in accordance with its terms all other conditions, which are self-sustaining and capable of separate enforcement without regard to the invalid conditions, shall be and continue to be valid and enforceable with their terms.
7. The warranty shall only apply if the purchaser can produce the warranty document signed by an authorised representative of Alsynite NZ Ltd. This warranty becomes effective only when the authorised signature and date has been completed below.
8. The warranty does not cover fasteners or other accessories associated with translucent roofing.
