

## MARCHAND FLOORING FSC CERTIFICATION

We're proud to share that all timber used in Marchand Flooring products is sourced from responsibly managed forests, adhering to the stringent standards of FSC® Chain of Custody certification. This commitment isn't just a claim; it's a guarantee that offers our customers, specifiers, and project partners unwavering confidence.

When you choose Marchand Flooring, you're choosing a product that meets the highest global benchmarks for forest sustainability, legal harvesting, and ethical supply chain practices.

Here's a closer look at our FSC® certification details:
