CAD Ref.: ARMWBV-CFH

The drawing consists of two parts: a cross-section at the top and a plan view at the bottom. The cross-section shows a window frame with a sash and a surrounding structure. Labels include 'Air Seal' pointing to a seal on the right side of the frame, and 'Weatherstripping' pointing to a seal on the bottom of the frame. The plan view shows the window's footprint, with a central pane and two side panes, each marked with an 'X' to indicate the muntin or frame structure.
