IBUILT GLUE LAMINATED POSTS

November 2020

Dimensional stability and
treated for in ground use

Made in NZ from high strength northern radiata pine. Laminated, H5 treated and planed to achieve a smooth clean visual post.

- Post applications include: verandas, carports and supporting decks and roofs
- Manufacturing to AS/NZS1328:1998, AS5068:2006
- Treated in accordance to NZS3640:2003
- Posts must be fully painted within 14 days of installation. All cuts, notches and holes must be treated with a timber preservative
- The portion of the post in-ground must be sealed prior to being cast in concrete
- 88x88, 112x112 and 135x135 sizes
- 1.5m up to 6.0m long

Dimensional stability and treated for in ground use.
