

Hinged and French Doors

Hinged door (open-out) frame and section.

Key Features

- Rebated meeting stiles give a flush appearance where French doors overlap and provide superior weathering
- Open-out and open-in frames available
- Parliament hinges allow doors to open outwards a full 180° in brick veneer situations
- Sidelights and overlights can be included
- A range of door handle and lock options are available, including multi-point locking.

Open-in frame.

Parliament hinge for full opening.

French door meeting stiles.

Hinged door and silight (left).

Specifications

Dimensions

Recommended maximum panels of 2100mm high and 900mm wide

Maximum Glass Thickness

27mm IGU

Thermal Values

U-value 4.123 R-value 0.243

Performance

Tested to Very High wind zone

Design Considerations

- Single panels ideal as utility doors
- Open-in frame available but open-out applications will generally be preferred
- Parliament hinges are available to allow a full 180° opening in brick veneer situations
- Overlights and sidelights are possible
- Multi-point locking available with most hardware options.
