Master Class

Culture Cues, History Notes, Media Made

Mid-century modernists knew a thing or two about throwing open the windows after a dark and drab period, and many of the same things that inspired them are at work today. The post-WWII culture was in pursuit of making. Characterized by warmth and informality, not precious or pretentious, theirs was a movement to pursue new technology with simple, affordable materials, communicating accessibility and inclusion.

Master Class Collection takes the lesson from those past masters, juxtaposing purposeful and playful. Uplifting forms and colors add brightness and energy. Colorful palettes explore the spectrum from saturated to softer hues. History Notes, like history itself, appears orderly and linear, but a closer look shows it is more complex with periodic shifts in direction. Culture Cues, a repeating pattern that's a bit nostalgic, is somehow geometric and organic at the same time. And, of course, Media Made takes that idea and makes it bigger.

Available in broadloom, carpet tile, and EliteFlex™ 6 ft, Master Class, like all Bentley carpets, is PVC-free, responding to our concern for the essential while satisfying our desire for lightness and hope.

CULTURE CUES 4MET2, LOYALTY 411490, ELITEFLEX 6 FT • MEMORY™ BMMRY, MISSION 801982 - RANDOM ASHLAR (LVT)

Bentley EliteFlex 6 ft is easy to install and easy to maintain.

Our newest product category was designed to expertly cover the floor with the simplicity of broadloom and the flexibility of carpet tile. EliteFlex 6 ft is engineered to recover to like-new condition even under heavy-duty traffic, and with a moisture impermeable layer, spills stay closer to the surface for easier cleanup. You can even cut, patch and repair without a trace when permanent marks are made.

In addition to providing comfort underfoot, EliteFlex 6 ft Cushion has a long-lasting resiliency that minimizes wear and tear, extending the appearance of the face fiber by up to 50%. Install Bentley 5 mm Luxury Vinyl Tile and EliteFlex 6 ft Cushion side by side, seamlessly. No transition strips required.

Bentley EliteFlex 6 ft, like the entire Bentley carpet offering, is PVC-free in alignment with the Living Building Challenge's Red List Free requirements. It is also certified Cradle to Cradle Silver, NSF® 140 (Gold and Platinum), and CRI Green Label Plus. All Bentley carpets meet California Proposition 65, the strictest regulation of environmental chemicals of concern, nationally.
