UNBELIEVABLE DURABILITY
RESILIENT | ROBUST | REINFORCED

Durability is a fundamental characteristic of our woven vinyl. Our carpets are designed to be exceptionally wear-resistant, capable of withstanding even the most intense usage, such as the energetic dance of a horse.

Discover the unparalleled strength and durability of our carpets.

MAKE IT YOURS CUSTOM MADE

We believe that a carpet is a canvas for your imagination. Our woven vinyl carpets are not bound by conventional shapes. We tailor each carpet to follow the contours of your creativity. Do you need a narrow runner? Or a large carpet?

Our carpets offer the unique opportunity to incorporate your identity into your design. We seamlessly weave your company logo into your carpet.

MAINTENANCE

FAST AND EASY

Your rug will remain tidy and pristine regardless of foot traffic volume. Owing to ntgrate's woven vinyl composition and structure, upkeep is straightforward and requires minimal effort.

The carpet stands out for its water resistance and robust, wear-resistant properties. This makes it suitable not only for wet cleaning, but also for the use of cleaning machines. For the regular maintenance of your carpet, a Hoover, a scrubber, water and a small amount of stain remover will suffice. A well-maintained carpet not only provides an aesthetically pleasing environment, but also contributes to optimal hygiene and air quality in your space.

REEF 03
PETER | LIAM

From the collaboration between Woop Rugs and ntgrate, a new collection has emerged: beautifully woven vinyl carpets.

Based on the durable and strong ntgrate material, we present to you an impressive range of colors to create your ideal carpet. Whether you opt for stylishly neutral or vibrant shades, you will find the perfect match for your project with us.

At Woop Rugs and ntgrate, we believe in the importance of local production and the quality of our products.
