Composition

Top Coat

- Our finishes are protected with a premium top coat of 7 layers of scratch resistant UV urethane.

Hardwood Surface

- Sustainably sourced, stunning hardwoods - FSC Certified
- We only produce premium quality products, and unlike other flooring suppliers, we do not use veneers.
- Our beautiful hardwoods are available in surface thickness of 3.2mm.
- Our handcrafted surface treatments and textures combine artisanal detail with the latest technology to create a floor that is unique to your home.

Core Layer

- At the heart of every floor is our specially formulated Heavea hardwood which gives our flooring its core strength and stability.

Foundation Layer

- The final timber foundation gives additional stability and durability to the floor.
